Is this a nightmare? My soul is lired and weak
Dark side is haunting me, wanting my defeat
I'm lost and I don't know, if I'll ever get home again
But I won't give in I'll guard it till the end
And my quest will never end
As long as the shadows till remain
My quest won't end, when shadows still remain
'Cause in my hands I hold a key
Powers beyond reality

The spellbook must be restored
Where sorcerers of light has it's home
There it shall serve to the powers of light
Bring peace to all mankind

The book of mystery
Brings evil to it's knees
The book of mystery
Gives light to you and me

And my quest will never end
As long as the shadows till remain
My quest won't end, when shadows still remain
'Cause in my hands I hold a key
To powers beyond reality

The spellbook must be restored
Where sorcerers of light has it's home
There it shall serve to the powers of light
Bring peace to all mankind

The book of mystery
Brings evil to it's knees
The book of mystery
Gives light to you and me
Gives light to you and me
The book of mystery
Brings evil to it's knees
The book of mystery
Gives light to you and me
