Finally they reached the castle. When they watched it
from the forest they
quickly realized that
they would never make it on their own. The castle was
heavily guarded by
soldiers that would easily
kill our travelers before they even would come close to
the gate. So they
decided that one of them
would travel back to the land of Kail to seek help from
the guardians and if
he could, he would
also convince the sorcerers of light to help them in
their quest. The one
that was chosen to do
this was the dwarf. When he was packing his things
Kira walked towards him
and asked if he was
afraid. He smiled at her, and said...

Many years I've sailed on the seas
And never once I've felt any fear
When I go into battle I fight to the death
For what I've done I have no regrets
And if I should be defeated and die
I hope I have proved my courage and might
And that I'll be welcomed to the kingdom above
Were the rainbow meets the sky

Because I know the story will go on
In our world and in the unknown
And I know the story that I've told
Will be here after I'm gone

The rules of my gods, I've always kept strong
The honour of battle, the power of steel
To fight without doubts, and never give in
Then my soul will always win
That's why I don't fear my end
Because if I die then my journey begins
To the place were the mightiest warriors shall gather

And answer to all the gods

Because I know...

Oh, just let it be true,
let me come to you
Show me that the legend is true,
and I'll surrender my steel to you

Because I know...
