I wear tight clothing and high heel shoes

That doesn't make me a prostitute

I like rap music, wear hip hop clothes

That doesn't mean that I'm sellin' dope

Oh my please forgive me for having straight hair

It doesn't mean there's another blood in my heirs

I might date another race or color

Doesn't mean I don't like my strong black brothers

Free your mind and the rest will follow

(Why oh why must it be this way)

Be color blind don't be so shallow

(Before you can read me you gotta learn how to see me)

So I'm a sista

Buy things with cash

That really doesn't mean that all my credit's bad

So why dispute me and waste my time

Because you think that the price is too high for me

I can't look without being watched

You rang my buy before I made up my mind

Oh now attitude why even bother

I can't change your mind, you can't change my color

Free your mind and the rest will follow

(Why oh why must it be this way)

Be color blind, don't be so shallow

(Before you can read me, you gotta learn to see me
