Shoo)

Verse 1

Many say

that I'm too young

to let you know just where I'm coming from.

But you will see

it's just a matter of time

my love surely make you mine

(1)

Well, I'm

Livin in a world of ghetto life

Everyone is so uptight

Nothin's wrong, it's alright, my man

I like the way we carry on

His love will send me on and on

with my man

People out there can understand

(2)

I'm givin him somethin he can feel

to let him know this love is real

This love is real

Verse 2

So much joy for us it seems

So much hope for material things

Are they only in my dreams?

(hey, oh yeah)

And that's exactly why I'm singing this song to you

To let you know that real dreams do come true.

You tell me 'what does it mean'.

Repeat (1)

Repeat (2) to a fade
