Are you ready to roll

Funky Divas wit a cool light stroll

Sending smooth vibe to all our dear fans

It feels good to be groovin' again

Chocolate cream to me baby, so sweet to me

Like some honey to a honey bee

I am drawn to you baby like a strong magnet, Oh

Once I'm there, there's no turning back

There is no real excuse, why take this abuse

I keep running back, taking smack

Don't know what to say or to do

It's amazing but I act crazy

I can't win it's a sin

So I feel I have to fight it

Runaway love

Like a train on broken tracks

Runaway love

It's too hard to turn it back now

Runaway love

Feels good without a doubt, yeah

Runaway love

Has to stop before it turns me out

Ooh, I'm not qualified to play love games with you

I've been hurt hard lately, I'm not for being used, no more

Just a little lovin', it's like a drug and I'm a drug addict

I just don't know why I can't let go

I can't walk away, fade away

Everyday my love grows and grows

It's a sickness or is it weakness

Shoud I cope, it there hope

All I know it's hard to stop a runaway love, ooh baby

Runaway love

Runaway love

Feels good without a doubt

Runaway love

Has to stop before it turns me out

Change

Take me

Take me

Take me higher

I know you can do it

Take me higher, take me higher

Take me higher, take me

Repeat second chorus

Repeat first chorus
