"Too Gone Too Long"

Did I hear you say that
You want another chance
You need another try
You're ready to reclaim your prize
So, you want my love back
Why'd you let it slip away
Why'd you ever let me go
Your change of heart has come too late
Well, the door is locked
You can't get in
The game has changed
You've been
1 - Too gone, too long, baby
To ever get back again
In my heart
Too gone, too long, baby
You're too many tears too late
To ever come back, to get back in my arms
Been gone
Too gone, too long
Don't you hear me say that

You'd be a fool to leave

You'd regret the road you chose

You'd come running right back to me

You had such a good love, sugar

You'll never find with no one else

But what I know all the time

You had to find out for yourself

But now you'll never know

That love again

You're on your own

You've been

Repeat 1

Been gone

Too gone, too long

Did you really think I'd take you back

Let you back in my life

Oh, baby

Just like that

Someone new is loving me

Loving you is what used to be

Baby, you're too late

To win my heart again

Repeat 1

Repeat 1

No, never

No, never

Just too long

I don't need you

I don't want you

Later for you baby

Oh, oh

Hit the road, Jack

And don't you come back

Oh, yeah, yeah

Oh, oh, yeah
