Verse 1:

Nobody touches my heart like you do  
I swear I'm just hopelessly fatal for you  
Cause I can't go through a day without  
Thinkin' bout kissin' you places all over  
All over your body and you body all over me

Chorus

You, you are the man I want  
There is no other love  
You give me what I need  
You are the only man for me

Verse 2:

You can see it in my eyes how much I'm feelin' you  
There's nobody else in this world would do,  
I would do  
Cause you will, you will go places  
That I'm not usually tasted  
And it just makes me go crazy  
And I can't deny I'm obsessed over you

Chorus

Cause you

Long time ago stole my heart

You broke me down from the start

And nothin has changed since the 1st day

That we made sweet love

Chorus
