Forgive us now, for what we've made
We're older now, we haven't paid
the price of youth and vice, it's coming down
Well idle hands,
They are misled
and vultures overhead,
they circle round our bed
and time it makes amends by running out

So tell me how it starts when it's over now
Hey, what do you say?
Looks like there's nothing, nothing's goin', goin', goin'
our way

Forgive us now, we're still so young
We don't know where, but we'll be hung
We're miles away from judge and jury now
Cursed in every way we turn you know we'll never learn,
we'll never learn,
so what's one more bad decision in this town?

Well tell me how it starts when it's over now?
Hey, what do you say?
Looks like there's nothing, nothing's goin', goin', goin'
our way
What do you say?
Looks like there's nothing, nothing's goin', goin', goin'
our way
You're just a little too late
Looks like there's nothing going our way

Looks like we lost again
Looks like we lost
We're lost!

Hey, what do you say?
Looks like there's nothing, nothing's goin', goin', goin'
our way
What do you say?
Looks like there's nothing, nothing's goin', goin', goin'
our way

You're just a little too late
Looks like there's nothing going our way
