Love of a Lifetime

I guess the time was right for us to say  
We'd take our time and live our lives  
Together day by day  
We'll make a wish and send it on a prayer  
We know our dreams can all come true  
With love that we can share

With you I never wonder - will you be there for me  
With you I never wonder - you're the right one for me

Chorus:

I finally found the love of a lifetime  
A love to last my whole life through  
I finally found the love of a lifetime  
Forever in my heart  
I finally found the love of a lifetime  
With every kiss, our love is like brand-new  
And every star up in the sky  
Was made for me and you  
Still we both know that the road is long  
We know that we will be together  
Because our love is strong

Chorus:

I finally found the love of a lifetime  
A love to last my whole life through  
I finally found the love of a lifetime  
Forever in my heart  
I finally found the love of a lifetime
