Took the bull by the horns
And made my way through life's cage
To find nothing's safe for me.

And now I live in the hour
Like a shaking flea, and I know
If love grows(?) this is where I'll go now, now.

What I can't stop thinking about, though;
It's killing me, this kind of thinking:
Did I jump from the bridge too soon
Even though I was sinking?
Yeah yeah yeah

Stop saying I'm laying on the floor.
Hey, I know I might just feel again.
I caught fire when I was only 4.
I'm just suspended.

And for a time I believed
I was something and maybe I could go.
No luck; I didn't even show, no no.

What I can't stop thinking about, though;
It's killing me, this kind of thinking:
Did I jump from the bridge too soon
Even though I was sinking?
Yeah yeah yeah.

Stop saying I'm laying on the floor.
Hey, I know I might just feel again.
I caught fire when I was only 4.
I'm just suspended.

I, I lie here.
And I, I lie here.

I won't let myself
Just slip into that hole,
Like something frozen still,
Laying in the cold.

Stop saying I'm laying on the floor.
Hey, I know I might just feel again.
I caught fire when I was only 4.
I'm just suspended.
