Sometimes I think it would be better
If you just walked away
And stopped returning phone calls
Come out to see the band play

Lady, Leave me, I will love you more
Sometimes I only speak when
I'm ignored

Big fish, little fish don't swim back to me
Eww eww eww eww
Circle my ship and slip back into the sea
Eww eww eww eww
I'm sending out a
Warning 'cause I think you oughta know
If catching you is easy then I'm gonna have to let you
go

Sometimes I wish you wouldn't smile
Every time I come around
And pick me up so easily
Every time I let you down

And baby
Make me
Crazy
If you can

Miscommunicate to make me
Understand

Big fish, little fish don't swim back to me
Eww eww eww eww
Circle my ship and slip back into the sea
Eww eww eww eww
I'm sending out a
Warning 'cause I think you oughta know
If catching you is easy then I'm gonna have to to let you
go

Let you go home

I can swim like a stone again

Big fish, little fish don't swim back to me

Eww eww eww eww

Circle my ship and slip back into the sea

Eww eww eww eww

Big fish, little fish don't swim back to me

Big fish, little fish don't swim back to me

Big fish, little fish don't swim back to me
