It's not hard to know when your body is aching
I'm alone at night and I don't seem to be patient now
And I don't know the rules to win
Believe in my dreams (that) I'm gonna have
But before I even met the other ones that long
obsessed
Have you been lost I'm looking for
The songs I need before I go
My house my town 'cause I said so
And I will go
It's so unreal and I will love
The things I feel are not a joke
It's so unreal and I will love
The things I feel
It's not hard to know when your body is aching
I'm alone at night and I don't seem to be patient now
And I don't know the rules to win
Believe in my dreams (that) I'm gonna have
But before I even met the other ones that long
obsessed
Have you been lost I'm looking for
The songs I need before I go
My house my town 'cause I said so
And I will go
It's so unreal and I will love
The things I feel are not a joke
It's so unreal and I will love
The things I feel
