Somewhere  
and nowhere  
I'm Stuck in between

daylight  
and moonlight fades

madness and sadness  
is all intense  
don't lose it  
cause it is yours now

Here we aren't  
I won't make it on my own  
and stand by my side  
all those years  
and so much more to come

talk to myself  
I'm insane but I fake it  
and nowhere is somewhere  
but nobody makes it  
and talk to myself  
I'm insane but I fake it  
and nowhere is somewhere  
but nobody makes it  
now  
Makes it home again  
Makes it now  
Makes it home again

Here we aren't  
I won't make it on my own  
and stand by my side  
all those years  
there's so much more to come

Here we aren't  
I won't make it on my own  
and stand by my side  
All those years

there's so much more to come
