Straight to the bone
You're all on your own
And you try not
Straight to the bone
Feeling tragic skin with no soul
Cry for no reason
Sometimes you will
Cry for no reason

Back to the bone
A say from your own
Cry for no reason
Sometimes you will
Cry for no reason
Hooooo
Hooooo
Hooooo
Hooooo

Cry for no reason
Sometimes you will
Cry for no reason

Cry for no reason
Sometimes you will
Cry for no reason
But straight to the bone
