Wooooo
Wooooo
Wooooo
Wooooo
Wooooo
Wooooo
Wooooo
Wooooo

There was some love in the backseat
In the backseat of their drawer
To let tonight show destruction
Although they mean it pretty fun

And the hands were tight
And the words were blind and
Aod gave them a trial
And they tried
And they sacrificed their lives

Can you feel it in the air
Can you feel it in the air
Can you feel it in the air
Can you feel it in the air

And after ten years of denial
A bright light opened their eyes
And the boy they loved was the victim
Left with a killer mind
He told swiftly to his parents
He shot them between the eyes
Where is the love

Can you feel it in the air
Can you feel it in the air
Can you feel it in the air
Can you feel it in the air
Can you feel it in the air
Can you feel it in the air

Wooooo
Wooooo

Wooooo
Wooooo
Wooooo
Wooooo
Wooo...

And after ten years of denial
A bright light opened their eyes
The boy they loved was the victim
Left with a killer mind
A killer mind
A killer mind
