(I'm) so shamed about  
The way I liked to turn you on  
Just having fun  
A crazy end  
Who could have known  
That we were one  
And sometimes none  
Hey now I like it here and have a little bit of fun there  
With everybody who's too good to go  
'cause deep down I still care for  
You but I don't know why we can't make it work  
Like we act as (as) we are  
So shamed about  
The way I liked to turn you on  
Just having fun  
But I'm sorry..  
That we were one  
And sometimes none  
Hey now I like it here and have a little bit of fun there  
With everybody who's too good to go  
'cause deep down I still care for  
You but I don't know why we can't make it work  
Like we act as (as) we are  
Hey now I like it here and have a little bit of fun there  
With everybody who's too good to go  
'cause deep down I still care for  
You but I don't know why we can't make it work  
Like we act as (as) we are
