ZORNIK things are changing

Did you ever feel like this  
So confused  
When they said  
You'll never be somebody  
But that's when everything changed  
And that's when I changed for you  
For you  
For you

(That's when I changed for you)  
She was driving  
Driving with her lights off  
Oh she was driving  
Driving with her lights off  
Yes she was driving  
Driving with her lights off  
Yes she was driving  
Driving with her lights off

Nananaâ€¦ (continues)  
(but that's when I changed for you x2)

Yes she was driving  
Driving with her lights off  
Oh she was driving  
Driving with her lights off  
Yes yes she was driving  
Driving with her lights off  
Yes she was driving  
Driving with her lights off  
Yes she was driving  
Driving with her lights off  
Yes she was driving  
Driving with her lights off  
Yes she was driving  
Yes she was driving  
Yes she was driving  
Yes she was driving  
Oh she was driving

Yes she was driving  
Oh she was driving  
Driving with her lights off
