You watch what I say,

(Watch what I Say),

Watch what I do.

Because I really don't care,

I really don't care,

I know you're trying to get somewhere.

You watch what you say,

(Watch what I do),

Im gonna get on you.

I really don't care,

I really don't care,

You're never gonna go nowhere.

Chorus

(I Get Wet)

I Get Wet when i'm not even startin'.

I Get Wet without even trying.

I Get Wet (x8).

I Get Wet whenever you try it.

I Get Wet when I know that you're dying.

I Get Wet (x8)

You're breaking doors,

And now you're on the floor.
