I dont like gold and I dont like pearls  
Im just your regular West Australian fishermans  
daughter  
Im a middle class folk singing guitar playing girl

I aint seen the world no Ive not travelled far  
Im saving dollars for a nineteen sixty two  
ruby red interior r series valiant mother f\*cking of a car

Coz Im a country girl and im in a city world pulling up  
pulling all the man Im gonna let you through  
Im living in the left hand lane of my city  
slow down so I can walk this highway with you  
slow down, let me walk it with you

Slow down  
we all gotta slow down  
man I wanna walk that highway with you  
yeah i wanna be walking with you you you you  
slow down  
the whole world's gonna slow down  
i wanna walk that high way with you, with you you you  
you with you

No not yet married I got no ring on my hand  
I got my heart beating for this sweet loving  
second hand dealing boy  
Im gonna luv him the best way I can I know I can

Coz Im a country girl in a city world pulling down  
pulling all the man Im gonna let you through  
Im living in the left hand lane of my city  
slow down so I can walk this highway with you  
slow down let me walk it with you

I dont like gold and I dont like pearls  
Im just your regular West Australian fishermans
