highway one  
12 hour drive  
I got a place  
I do call mine  
got me a space where I can breathe  
got my garden  
got my trees

and if you're ever out this way  
and if you still recall my name  
and I'm not that hard to find  
I live on...  
highway one  
12 hour drive

and we're gonna be  
eatin fish from a coal fire  
sleepin outside  
till the fire's cold  
oh till it gets too cold

but if you come through late at night  
I'll leave on my bedside light--  
drive home to the right  
baby you can...  
creep in and wake me

and we're gonna be  
eatin fish from a coal fire  
we're gonna be  
sleepin outside  
till the fire's cold  
oh til it gets too cold

oh yeah

You know it's doubtful I will tell  
where my love and I do lay  
oh where my flowers grow

highway one

12 hour drive  
highway one  
12 hour drive  
highway one  
12 hour drive

I live on...  
highway one  
12 hour drive

Ah Yeah--.
