Not everybody knows just how to do it  
Some just learn it on the way  
Once you get it right, ain't nothin to it  
If you wanna get it right, you gotta learn to pace  
Make it smooth, take your time  
Make it groove, in, out, in  
Make it last, kiss, kiss, kiss,  
Kiss my ---, ah, ah, ah

Chorus- This is how it works  
Wrap your hand around my body  
This is how it works  
Go do south and  
This is how it works  
Melt yourself into my body  
This is how it works  
Kiss my mouth

Some guys think they know the answers  
Everybody know how to make you scream  
If most guys took time out there fantasies  
Maybe we can stop our make believe  
Make it smooth, take your time  
Make it groove, in, out, in  
Make it last, kiss, kiss, kiss,  
Kiss my---, ah, ah, ah

Chorus

(Left-Eye)  
Ready set go, you don't have to know  
We can take forever, learn together any flow  
Touch me slow, watch it grow  
Kiss the tip, gently flow, be my ho and take the show  
We can watch it in slow mo, when the sweet
