I know what boys like

I know what guys want

I know what boys like

I've got what boys like

I know what boys like

I know what guys want

I see them looking

I make them want me

I like to tease them

They want to touch me

I never let them

I know what boys like

I know what guys want

I know what boys like, boys

like, boys like me

But you, you're special

I might let you

You're so much different

I might let you

Mmmmm would you like that

I might let you

I know what boys like
I know what guys want
I know what boys like
I know what's on their minds
I know what boys like
I know what guys want
They talk about me
I got my cat moves
That so upset them
Zippers and buttons
Fun to frustrate them
They get so angry
Like pouty children
Denied their candy
I laugh right at them
I know what boys like
I know what guys want
I know what boys like,
boys like, boys like me
Na, na, nya, nya, nya, nya.....
I feel sad now
I will let you
Sorry I teased you
I will let you
This time I mean it

I will let you
Anything you want
You can trust me
I really want to
You can trust me
How would you like it
You can trust me
Sucker. Hmmmmm....
I know what boys like
I know what guys want
I know what boys like, boys
like, boys like me
Gny, nya, gna nyah nya.....
