Needed new posters, so I bought them
I know the cost of stamps now
The thirty-first is when I pay the phone bill
I told them I didn't even know anybody in Toronto

Everyday at seven I've been watching Walter
I've been reading more and looking up the hard words
I met people who can get me on the guest list
My parents said that they would help me
pay for grad school

You know I had never washed a sweater
I never knew when my hair was too long
I got the cab calls out of my hi-fi
I learned alot since you've been gone
I've done alot since you've been gone

Not bitter - beat a vicious cycle
Typecast as the model couple
I'm sorry but I don't feel awful
It wasn't the end of the world
I'm sorry I can't be helpless
It wasn't the end of the world

I know someone who really met Belushi
I fixed the toilet so it doesn't always run
I moved a chair over by the window
I feel better if my laundry's done

Getting by on less sleep than I used to
I had no trouble in setting up a desk
I learned the reason for a three-pronged outlet
I got 100 on my driver's test

I got a trick to get them to deliver
I called the landlord when the water turned brown
Did you know I own some valuable records?
I've done alot since you've been gone
I've learned alot since you've been gone

Not mad - beat a vicious cycle

Typecast as the perfect couple
I'm sorry but I don't feel awful

etc....
