My head is spinning round, my heart is in my shoes,
yeah
I went and set the Thames on fire, oh, now I must come
back down
She's laughing in her sleeve boys, I can feel it in my
bones
Oh, but anywhere I'm gonna lay my head, I'm gonna
call my home

Well I see that the world is upside-down
Seems that my pockets were filled up with gold
And now the clouds, well they've covered over
And the wind is blowing cold
Well I don't need anybody, because I learned, I learned
to be alone
Well I said anywhere, anywhere, anywhere I lay my
head, boys
Well I gonna call my home
