Well cutting through the cane break, rattling the sill
Thunder that the rain makes when the shadow tops the
hill

Big light on the back street, hill to ever more
Packing down the ladder with the hammer to the floor
Here come the Big Black Mariah, here come the Big
Black Mariah
Here come the Big Black Mariah, I seen the big black
Ford

Well he's all boxed up on a red belle dame
Hunted Black Johnny with a blind man's cane
A yellow bullet with a rag out in the wind
An old blind tiger, got an old bell Jim
Here come the Big Black Mariah, here come the Big
Black Mariah
Here come the Big Black Mariah, here come the big
black Ford

Sent to the skies on a Benny Jag Blue
Off to bed without his supper like a Linda brides do
He got to do the story with the old widow Jones
Got a wooden coat, this boy is never coming home
Here come the Big Black Mariah, here come the Big
Black Mariah
Here come the Big Black Mariah, I seen that big black
Ford
Cut through the canebrake, oh yeah

Well he's all boxed up on a red belle dame
Flat Blue Johnny with a blind man's cane
A hundred yellow bullets shook a rag out in the wind
An old blind tiger, on a bell you win
Here come the Big Black Mariah, here come the Big
Black Mariah
Here come the Big Black Mariah, here come the big
black Ford
