Well I hope that I don't fall in love with you
'Cause falling in love just makes me blue,
Well the music plays and you display your heart for me
to see,
I had a beer and now I hear you calling out for me
And I hope that I don't fall in love with you.

Well the room is crowded, there's people everywhere
And I wonder, should I offer you a chair?
Well if you sit down with this old clown, take that frown
and break it,
Before the evening's gone away, I think that we could
make it,
And I hope that I don't fall in love with you.

I can see that you are lonesome just like me, and it
being late,
You'd like some some company,
Well I've had two, I look at you, and you look back at
me,
The guy you're with has up and split, the chair next to
you's free,
And I hope that you don't fall in love with me.
And I hope that you don't fall in love with me.

Now it's closing time, the music's fading out
Last call for drinks, I'll have another stout.
Turn around to look at you, you're nowhere to be
found,
I search the place for your lost face, guess I'll have
another round
And I think that I just fell in love with you.
