"Say it again" [Verse One] [Wale] Uh huh Slumdog
'fore I part any sub par The underdog of the
underground has come far Who's gonna come for it?
The crown that is They gun for it But wouldn't blow if
George Jung wrote it I cough on the chorus, sneeze on
that loose leaf Napkin Nigga my loogies eat tracks up
Now while my fan base adds up HDC bitches need a
nigga like Fab says Like I took a tablet of melatonin
See, while y'all niggas on the microphone I'm nappin'
Nigga, I'm the baddest and I ain't even trappin' I
master vandalism and my Louie V's sprout shit How the
fuck I get on? I still keep it indie, y'all word to Dow Slim
Cry me a river, I'll white water raft it Y'all roll up pounds
well I roll up mountains I rode from Largo to south side
to Austin With a bad snow bunny probably still on
allowance "Say it again" I ain't hear you clear Stuntin' in
my rarest pair Nigga I ain't never scared "Say it again"
Call me whatever Joe I be gettin' money Motherfucker I
ain't never broke "Say it again" I ain't hear you clear
Stuntin' in my rarest pair Nigga I ain't never scared
"Say it again" Call me whatever Joe Wale & Royce
Motherfucker this is forever dope [Royce Da 5'9"] I'm
like castration Take your balls from ya Pause I'm
calculatin' Like numbers We lookin' for something like
navigation Lyrically force niggas to spit it like
masturbation Physically molly whoppin' Triggers is
probably poppin' All of my bitches mind's are Free like
Olly Oxen Suck my lolly pop then I put the condom on it
Look at the beaver up and down like I'm Wally watchin'
Haha, I'm on the grind, niggas know the time You spit it
like phew I spit it like a loaded nine, POP Biggie...PAC
C'mon, who's nicer than Nickel? I'm trife on this ripple
When you a big dummy like Lamont Sanford Your life is
a product of trash I'm fuckin' dykes with a lot of pizazz
My hoes got moxie My Slaughter's hittin' our goals as
though we like hockey My nigga Wale
