"Rock Star Poser"

[2x]

Fuckin' posers  
It's almost over now  
It's almost over now  
Yeah

You think the way you live is okay  
You think posin'  
Will save the day  
You think we don't see  
That you're running  
Better call your boys  
'Cause I'm coming

[Chorus]

You can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops far

It's almost over now  
It's almost over now

Yes  
You ain't heard that we swallow guys  
It's too damn late to apologize  
When you see the mantle or will you see the skies

It's almost over now  
It's almost over now

You think that you don't have to ever quit  
You think that you can get away with it

You think the light won't be ever lit

It's almost over now  
Almost over now

Something's on your chest  
Better get it off  
There'll be no one left when we set it off  
We ain't gonna take it no more  
Since

It's almost over now  
Almost over now

You have to plenty of time  
There was no rush  
But it was your dream to be like us  
You're in dreamland so you don't care  
And as you wait  
I'm standing there

[Repeat Chorus]

You don't succeed cause you hesitate  
You think we're fly  
But we levitate  
Just be yourself  
Don't ask us why  
'Cause if you don't we'll make you fly

[Repeat Chorus]
