Hey, if only for 1 Nah  
Night, Night, Night, Night  
Ah, 1 Night, if only for 1... Night.

[Hook:]

[Z-Ro:]

I wish I could have my loved ones back  
'Cause I'd love to have my loved ones back.  
If only for 1 Night.

[Trae:]

We don't have to feel it like that  
'Cause I hate to see the pain comin' back.

[Z-Ro:]

If only for 1 Night.  
Nobody get killed on the block  
No reason to pack the steel on the block.  
If only for 1 Night.

[Trae:]

We can get to make it to the top  
And see my dawgs make it out the cell block.

[Z-Ro:]

If only for 1 Night.  
Maintainin' there'll be no more complainin'  
It's alright.

If only for 1 Night  
Maintainin' tryin' to keep it from rainin'  
It's alright.

I love you.

[Trae:]

I swear, deep down I be sinkin'  
The same things over & over they never get better  
I miss my niggas, rain fallin'  
9 times out of 10 it don't miss my nigga  
Damn, I hope this state of mind'll never leave again  
I wanna see my nigga Screw get to breathe again  
And wanna see Dinky & my nigga Donny break free  
again  
On the block, never thinkin' 'about Plex  
24 years of mine I've been blessed

Dawg, don't you get it twisted  
'Cause 19 years of those have been stressed  
Never thought that I'd see this time  
And it ain't no way that I'm a let it get by  
Ain't no lie, deep down inside  
Just to hold it close it wanna make me cry  
No more drama, like no laws  
No more jail, no more collect calls  
No more hate from these roach ass niggas  
And my dawgs on the block'll ball 'til we fall  
Plus Peewee would've never got locked  
Plus Greedo would've never got shot  
Plus Mello would've still been here  
With a white Kango about to body rock the pen  
Misty, then the rest of the click like  
Full speed than runnin' without a red light  
Whole life I'll be one of a kind  
Go deep in the wind I promise I got my head right  
And I hate it's gon' be like this  
I wonder why everything come to me like this  
And if only for 1 Night I finally get my smile  
Lord, I don't wanna leave like this.

I love you.

[Hook:]

[Z-Ro:]

If only for 1 Night.

[Z-Ro:]

It'll be nice to have Emo & Jody & LL back  
My nigga Best & his big brother E Roy Love  
Them people ain't never comin' back  
But if only for 1 Night  
My nigga could make a decision he should've made  
Make it where the situation turned out another way  
And ain't a day go by  
I don't wish I didn't have to miss my mama  
This ain't livin' my nigga this just drama  
If only for the night when the storm'll live calmer  
'cause seem like they wanna give a lifetime sentence  
To a nigga with a pistol & a pound of marijuana  
Wish it was legal to be in public wit your eyes red  
I've seen a lot of B.I. cases go fed  
Got pulled over, no seatbelt on the shoulder  
Led to a 70 year stand & colder  
If only for the dead nigga  
Didn't have to wait to make a safe walk to the store  
Just to get his niggas & a 6 pack I'm strapped  
But there never been a cakewalk to the store  
Fuck around & see the head concussion  
If the hood decide you gotta fake walk to the store  
They fully fronted to everybody with animosity  
Bitches'll take 'em off 'fore they walk to the store  
A nigga from the Southside & a nigga from the  
Northside  
And a nigga from the Eastside  
Could all get along with each other, like we knew each  
other mother  
No reason to wanna take our own lives  
By losin' a son, losin' a daughter, losin' a child  
I'm battered by life, too rude to smile  
I like it better when I used to smile  
If only for 1 more Night.

I love you.
