Ayyyy, if only for one
Nah, niiite, niiite, niiite, niiiiiite
Ahh one nite, if only for one... niiiiiite

[HOOK]

[Z-Ro]

I wish I could have my loved ones back
'cause I'd love to have my loved ones back
(if only for one niiite)

[Trae]

We don't have to feel it like that
Cause I hate to see the pain comin back
(if only for one niiite)

[Z-Ro]

Nobody get killed on the block
No reason to pack a steel on the block
(if only for one niiite)

[Trae]

We can get to make it to the top
And see my dawgs make it out the cell block
(if only for one niiite)

Maintainin, there'll be no mo' complainin
It's alright, if only for one niiite
Maintainin, tryna keep it from rainin
It's alright, I luv u

[Trae]

I swear, deep down I be sinkin
The same things over and over they never get better
I miss my niggaz, rain fallin
9 times out of 10 it don't miss my nigga
Damn, I hope this state of mind'll never leave again
I wanna see my nigga Screw get to breathe again
And wanna see Dinky and my nigga Donny break free
again
On the block, never thinkin 'bout Plex
24 years of mine I've been blessed
Dawg, don't you get it twisted
'cause 19 years of those have been stressed
Never thought that I'd see this time
And it ain't no way that I'ma let it get by

Ain't no lie, deep down inside
Just to hold it close it wanna make me cry
No mo' drama, likin no laws
No mo' jail, no more collect calls
No mo' hate from these roach-ass niggaz
and my dawgs on the block'll ball 'til we fall
Plus Peewee woulda never got locked
Plus Greedo woulda never got shot
Plus Mello woulda still been here
With a white Kango about to body rock the pen
Misty, then the rest of the click like
Full speed then runnin without a red light
Whole life I'll be one of a kind
Go deep in the wind I promise I got my head right
And I hate it's gon' be like this
I wonder why everything come to me like this
And if only fo' one nite I finally get my smile
Lord, I don't wanna leave like this
(I luv u)

[HOOK]

[Z-Ro]

It'll be nice to have Emo and Jody and LL back
My nigga Best and his big brotha Roy Love
Dem people ain't never comin back
But if only for one nite
My nigga could make a decision he shoulda made
Make it where the situation turned out another way
And ain't a day go by
I don't wish I didn't have to miss my mama
This ain't livin my nigga this just drama
If only for the nite when the storm'll live calmer
'cause seem like they wanna give a lifetime sentence
to a nigga with a pistol and a pound of marijuana
Wish it was legal to be in public wit ya eyes red
I've seen a lot of B.I. cases go fed
Got pulled over, no seatbelt on the shoulder
Led to a 70 year stand and colder
If only for the dead nigga
Didn't have to wait to make a safe walk to the sto'
Just to get his niggaz and a six-pack im strapped
But there never been a cakewalk to the sto'
Fuck around and see the head concussion
If the hood decide you gotta fake walk to the sto'
They fully fronted to everybody with animosity
Bitches'll take 'em 'fore they walk to the sto'
A nigga from the Southside, and a nigga from the
Northside
And a nigga from the Eastside
Could all get along with each other, like we knew each

other mother
No reason to wanna take our own lives
By losin a son, losin a daughter, losin a child
I'm battered by life, too rude to smile
I liked it better when I used to smile
If only 4 one mo' night
(I luv u)
