I been through enough with you  
For a matter fact to much with you  
And loving doesn't mean I will continue to fuck with you  
This aren't a fuck you song, it's a thank you for not  
loving me, causing me to love myself  
This is an I love you song.  
How can I please somebody that can't be please?  
There aren't nothing for Z-ro to do but leave.  
Aren't no such thing as a happy home unless I'm  
leaving alone  
Even though it's not your time of mouth your cycle is  
on.  
Though I get enough beef in the street to eat,  
When I get to the cub you try to feed it to me every time  
you speak.  
R.Kelly got you self-centered  
What about when a brother is fed up?  
It's hard to keep his head up  
See but this is the last time your going to try to run my  
life  
You wanna run something?  
Become a Dyke and get yourself a wife

[Bridge]

Me?

I'm going to miss you,  
But the size 12 can kick you where the good lord spilt  
you,  
Not trying to diss just telling you why I love you  
Bitch

[Chorus]

Thank for making it hard to make it better for us.  
I was just trying to make some chitter for us.  
I'm a one woman man  
But  
When my one woman starts tripping  
You can find where the strippers be striping.  
I went out to get it and I came back with it  
I never complain I just handle my business  
God is my witness  
I'm a one woman man

But  
When my one woman starts tripping  
You can find where the strippers be striping.

[Verse 2]

Just be a lady in the street  
You oughter to be a freak in the sheets  
Just be respectful when your speaking to me  
They say you never miss a good thing until it's on it's  
way out  
You should have seen the sign when I started to stay  
out all night long  
Dodging your call on the phone, not because I'm  
cheating  
But I'm drinking and chafing, comtraplaing(s) if I'm  
staying or leaving.  
It aren't no question if I love you girl, it just your  
attitude makes me wanna hurl  
I know I give it to you  
How you want it when I'm in you  
You just say the word I just slow down change position  
And then continue  
Then you be acting like you don't know me when your  
aren't sexing  
I in jail stressing, and your mad at me for not showing  
affection  
Pardon me for being human  
If I'm not pleasing you then you got a problem with  
what I'm doing.

[Bridge]

Me?  
I'm going to miss you,  
But the size 12 can kick you where the good lord spilt  
you,  
Not trying to diss just telling you why I love you  
Bitch

[Chorus]

Thank for making it hard to make it better for us.  
I was just trying to make some chitter for us.  
I'm a one woman man  
But  
When my one woman starts tripping  
You can find where the strippers be striping.  
I went out to get it and I came back with it  
I never complain I just handle my business  
God is my witness  
I'm a one woman man  
But  
When my one woman starts tripping

You can find where the strippers be striping.

[Verse 3]

Our relationship faded  
I wish we would have made it I sha hate it  
But I got my sanity back and I wouldn't trade it  
For a meal ticket, aren't no maybe we'll kick it  
I don't want that  
Like getting out of prison I'll do anything not to go back  
Could it be meant for me to be one deep by myself  
while I'm awake and sleep  
Thank to you I don't spend no more time try to please  
somebody else  
Now all my time and effect is put into pleasing me  
Straight up  
I'm gone and your going to miss Joy'Mack(s)  
Aren't no use in calling my phone  
Because there aren't no getting wrote back  
I don't want to go to the movie or out to eat  
Only way your going to see me  
Is if you see me out in the street  
I thought you was my future wife girl  
But maybe my experience with you was  
Peroration for me to find the right girl

[Bridge]

Me?

I'm going to miss you,  
But the size 12 can kick you where the good lord spilt  
you,  
Not trying to diss just telling you why I love you

[Chorus]

Thank for making it hard to make it better for us.  
I was just trying to make some chitter for us.  
I'm a one woman man  
But  
When my one woman starts tripping  
You can find where the strippers be striping.  
I went out to get it and I came back with it  
I never complain I just handle my business  
God is my witness  
I'm a one woman man  
But  
When my one woman starts tripping  
You can find where the strippers be striping.
