[Z-Ro:]

Say Mike Dean, dig these blues.

[Verse 1: Z-Ro]

I remember situations as an adolescent

I couldn't roll with the homies, they'd rather see a  
nigga steppin'.

Was it 'cause I was a "school boy" tryin' to get my  
grades together?

Stayed on the same block but we never played  
together.

All of a sudden, why they wanna come & kick it with Ro?

Thinkin' they can get free CD's & free tickets to shows?

No!

Pay at the door or you stuck out

And if you get in, don't ask for nothin' or get escorted  
the fuck out.

And say lil' mama I ain't tryin' to go to bed with ya.

You smokin' thinkin' I'm about to be breakin' bread with  
ya.

Keep my money in my pocket, never leave it with hoe's.

Put a ring on my own finger 'cause I sleep with zero.

I love my enemy's more than friends that's why I treat  
'em so friendly

'Cause they let you know they hate you, but a friend  
hides his envy.

Ain't no use in flaggin' me down while I'm out on a  
creep

If I'm stoppin', my gun's cockin' you droppin'.

I live & die one deep.

[Hook: Z-Ro]

I don't need No Help my nigga, I can Do Bad On My  
Own

And I don't need no company lil' mama, stop ringin' my  
cellular phone

When I be down & out nobody wanna come & kick it  
I'm a nobody until I can shine

So when my money is long I don't need nobody to visit  
Leave me lonely like you did last time.

[Verse 2: Z-Ro]

It's the same, every day, every day it's the same  
Dealin' with fraud ass fellas I swear it ain't gon' never  
change.

Even speakin' on the hood, nigga the hood ain't shit.  
So when you see me I'm a speak & that's as good as it  
gets.

But ain't no ridin' with me, gettin' drunk, or gettin' high  
with me.

10 out of 10 I bet you would never ride & die with me.  
All my drugs are for personal use 'cause I be stressin'  
bad.

Poverty & pain is all I've ever had.

I remember I was down in the dumps no one lifted me  
up.

Niggas said I would never make it in music 'cause I  
wasn't gifted enough.

So why the hell would I chill with y'all?

I'd rather deal with felony charges before I'd have to  
deal with y'all

It's one cup, one sweet 'cause it's Z-Ro only

Forever lonely I don't need no phony homey's all up on  
me

'Cause when niggas get to trippin' with they guns & shit  
For me, I bet my homey's won't empty a clip.

I live & die one deep.

[Hook: Z-Ro]

I don't need No Help my nigga, I can Do Bad On My  
Own

And I don't need no company lil' mama, stop ringin' my  
cellular phone

When I be down & out nobody wanna come & kick it  
I'm a nobody until I can shine

So when my money is long I don't need nobody to visit  
Leave me lonely like you did last time.

[Verse 3: Z-Ro]

It was hard to dream when I was hooked on codeine  
Killin' myself slowly on purpose 'cause humans made  
me nervous.

And I knew I'd have to kill one, one day.

Then how could I sit up in front of the Lord come  
Sunday?

That's why I eat by myself & I sleep by myself.

I'm alone 24/7 I'm out here on my own.

Plus I'm confident that I would never jack myself.

For all I know, homicides are homey's watchin' as I  
stack my wealth.

When I was trippin' with my steel pointed dead at my  
grill

All my "real niggas was laughin'". didn't try to tell me to chill.

I ain't ever had a friend like Joseph

'Cause he don't give a damn if I ever was on a poster.

A skinny ass never had a penny ass nigga, treated like a food stamp

'Til I dropped a few jams now they diggin' a nigga

It's plain & simple to witness.

If it wasn't for rappin' who'd give a fuck about my business?

Let me live one deep.

[Hook: Z-Ro]

I don't need No Help my nigga, I can Do Bad On My Own

And I don't need no company lil' mama, stop ringin' my cellular phone

When I be down & out nobody wanna come & kick it

I'm a nobody until I can shine

So when my money is long I don't need nobody to visit

Leave me lonely like you did last time.
