(feat. paul wall and lil' flip)

from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth

yea
screwed up click
i got them diamonds in my mouth
thats how we do down south

(Z-Ro)
hold up a minute im the king of the ghetto
holdin the rap game like wood grain cant let go
you niggaz a never see me i'm on another level
stay diggin a nigga grave keep a gun and a shovel
and pourin acid to get rid of the evidence
saw me in the rear view now u wonder where i went
imma get you if i owe you visit ur residence
lay the murk game down then i'm gone hit the fence
better keep my mouth close so they cant see the
shinning
think it was z-ro cuz all you see is diamonds
i'm cold as a defreezer with bags of ice in it
my .357 pretty but aint nuthin nice in it
too many bitches and not enough rubbers
got so many of my real niggas unda tha guttas
watch a nigga from the life life close like shutters
god damn stayin healthy is hard as a muther fucker

(chorus)
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth

(paul wall)
i got diamonds all in my mouth
in my grill and in my jaw
platinum teeth and princess cuts

my mouth is similar to a disco ball
i'm paul wall my smile is blindin
my ice is shining like a chandelier
i tend to brush my teeth with windex
just so the glass house mouth shine clear
i got more karats than vegetable soup
i'm a texas icon the peoples champ
put on ur shades when i commence to approach
my mouth is illuminating like a lamp
we got gold grills and platinum and ice
cause thats how it is in the lone star state
with a cup full of barre in a candy car
and we jammin on a (screwed) robert davis great tape

(chorus)

from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth

(lil' flip)

ever since 1999 i had diamonds in my grill (grill)
you just rappin that aint platinum
homie u need to chill (chill)
cause you embarrassin texas nigga you aint trill (trill)
nigga u been on my dick way before ugot your
deal (yea)
these rappers finally get some fame and then think
they got it locked (you got it locked)
after your album flop nigga you gon be on Koch
my gear clean from my earrings to my pinky ring
if u aint spend 30 boy tuck in your piece and chain
(southside)

(chorus)

from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth

(z-ro)

blucka blucka blucka that's how my gun go
if i'm looking aggated bitch you better run hoe
i used to do the bauggetes now VS 1's though
princess cuts straight down jhonny done those i got
loud ice just like paul wall
shining down south brighter than all yall
when its time to get your jewelry done
who do yall call cause you fellaz aint shining at all
(check me out)
on the 1st and 15th i'm somethin like a pimp

even with a suspended license still finna flip
aint no limit to this cash aint nuthin i cant get Five
Deuce Hubba Cuzz aint nuthin like a Crip
ride with a revlove dont fuck with the clips
these roach ass niggas tryna make me bust my chips
but i'm not a bank dont even trust my bitch
i'm from the south and i got diamonds in my mouth

(chorus)

from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth
from the south i got the diamonds in my mouth

(chorus screwed until fade)
