verse:1

i need christ thats the only thing i know i really cant  
read write im strangled by animosity from my own  
people it is hard to be nice my face it frowned up  
everywhere i go and i cant sleep nights im in my ride  
tryin to find my phone?

verse:2

they say my music wont make it cuz i don't rap cars  
and dancin i rap pain poverty and fraud romancing  
who goin to represent for tha brother on death road  
and let him know whether he didn't or not god had his  
back from the gecko a lil mama that's hustling risking  
her freedom house full of kids not one of the baby  
daddy around she's just tryin to feed them even if  
she's layin on her back for bread instead of talkin  
about her show how to earn it with out openin her legs  
why my people rather be pointin fingers and turn up  
they nose and showing love and striking up a match  
and its so explosive and im guilty like everybody else  
while im talkin to yall im talkin to self i know yall tired of  
showin love but never gettin it showed back to ya when  
all u need it a hug your people show their back to ya  
believe me when i tell you every time the world and the  
devil dish you god is your homey can't nobody in the  
world fuck with ya

chorus

you feel like you wanna die sometimes can to relieve  
stress to this just keep god first in your life even when  
it feels like he aint blessin it if u get mad like i get mad  
then you can act like everyday but all you got to do is  
learn to let go and let god handle it nothing you can  
say i don't give a damn but all these fellas droppin salt  
on you mayne i don't give a damn but you cant pay  
your bills cuz your short on your change i don't give a  
damn man i just saw your woman huggin and kissin  
another man i don't dive a damn kuz god got me and if  
you don't know you better ask somebody

verse:3

a hundred days minimum wage bout to lose your house if you dont get a raise you stay close to goin to work with the 12 days you see a new mullenium but feels like you in the stone age stressing every 7 minutes from living with aids subtract the days in your life but not from the virus your dyin from worryin about the thangs you cant change your made at saitin its too many other names to blame only god can bring foot rain smell the pain flames? and then the sun goin to shine no matter what the docta tell you only the lord decides when its the end of your time jus look at magic ya it was tragic but he still at it lookin functioning and feeling fantastic i know my people cry a river and its alrite to cry but dont commit suicide you cant make it to heaven takin your own life so repeat after me the devil aint pimpin me kuz i can do all things threw jesus christ who stregthins me

chorus

if you feel like you wanna die sometimes can to relieve stress to this just keep god first in your life even when it feels like he aint blessin it if u get mad like i get mad then you can act like everyday but all you got to do is learn to let go and let god handle it nothing you can say i don't give a damn but all these fellas droppin salt on you mayne i don't give a damn but you cant pay your bills cuz your short on your change i don't give a damn man i just saw your woman huggin and kissin another man i don't dive a damn kuz god got me and if you don't know you better ask somebody

verse:4

look lil mama i can feel what your goin threw your another diamond dancing at the players club tryin to pay your way threw school and to the brother who checkin out brothers who doin better homey you aint got to do it like that i know its difficult tryin to make it if you aint havin chedda but what you goin to do brother strike back and jus because your white and im not doesnt mean im tryin to plot on takin your last dime but jus beacuse i got a diamond grill on my mouth you think i wanna steal dollar bill's outcha house even though you think ima animal i dont give a damn (i dont give a damn) a true hero under god that what i am

chorus

you feel like you wanna die sometimes can to relieve  
stress to this just keep god first in your life even when  
it feels like he aint blessin it if u get mad like i get mad  
then you can act like everyday but all you got to do is  
learn to let go and let god handle it nothing you can  
say i don't give a damn but all these fellas droppin salt  
on you mayne i don't give a damn but you cant pay  
your bills cuz your short on your change i don't give a  
damn man i just saw your woman huggin and kissin  
another man i don't dive a damn kuz god got me and if  
you don't know you better ask somebody
