(Chorus)

I hate you bitch (x3)

I never thought I'd say **AÇÊÂ!**

I hate you bitch (x3)

I never thought I'd say **AÇÊÂ!**

Too many years I done paid the price

Why you gotta put all this drama in my life

Day after day I'm on the grind for you

Livin lavish, drape you in carats is what I'm trying to do

But I am just a man

Trying to do all I can

But you act like you can't understand

Well I done sacrificed and I done swallowed my pride

On the wrong road, trying to follow my pride

I was daddy for a while, though I've got no seed

But the kids are my H-E-A-R-T

I've been dealin with a lot, so I've been loosin my mind

Straight up acting before I think, daddy using my mind

My freedom is on the line and my sanity's gone

(Verse)

You picked a fine time to leave me, now this house aint
a home

I had no problem being faithful; I love you so much I
hate you

Because you left when I needed you the most

So now a bitch is how I rate you

My female friends making you wonder

Guilt got you feelin suspicious

From when you was creepin on me on the under

But even still I held my head

Five kids and I fed them all with board, bread and
spread

Them was my muthafuckaz

Treated them like sistaz and brothaz

But somehow fell out of place

Fuckin with they punk ass mother

I apologize

I wish I could turn back the hands of time

Wishin we could pillow fight, just one more time

But Miss Rhonda wanna put them laws in my life

Although I'm happy I never picked you not at all in my
life

Solo is how I'll kick it the rest of my days
But I want to thank you for makin possible,
Some of the best of my days
I've dried my eyes now
And now all they can see is the green
You can have that jewelry broke ass mothafucka
Just let me sing.

(Repeat chorus)

I hate you bitch (x3)
I never thought I'd say "f--- you".
I hate you bitch (x3)
I never thought I'd say "f--- you".
