[Hook: Z-Ro]

I Never Had Love for a bitch, I'm about my money  
Even if they murder me, I ain't goin' nowhere  
Turn up the volume to the radio, I'll be right there  
And I Never Had Love for a nigga, I'm about my money  
I'm a million dollar mack, that's how I carry myself  
And can't no girl have my heart 'cause I'm gon' marry  
myself.

[Z-Ro:]

My first diss song that, yeah that use to be me  
Every Sunday morning & every Wednesday night I  
would be  
At Crestmont Church of Christ, just my Daddy & me  
But I know he didn't love me, because I was raised by  
the streets  
Never took the time to teach me about the birds & the  
bees  
I don't even know if he was proud of me for makin' A's  
& B's  
West Fewquay & Ridgevan, made me a man  
Took my first onion rocked it up & I made me a grand  
17 years ago is just like yesterday, I remember it well  
Young nigga goin' to school, workin' hustlin'  
And livin' on the street, I was goin' through hell  
And I've got no regrets, but I'm not finished yet  
I know I've come along way, but it's so far to go  
And since ain't none of y'all muthafuckers helped Z-Ro,  
that's right.

[Z-Ro:]

Y'all already know what they want from me

Simply to see me B R O K E & D E A D  
I can't escape the H A T E  
My baby mama's make me wanna just squeeze the  
trigger  
Feelin' like the world don't need me nigga  
Seems like none of my daughters hardly see me nigga  
I'm sorry baby, you know your Daddy crazy  
Seems like your mama's always got a problem with Ro  
I done put up with it long enough, I ain't gon' take it no  
more  
If I'm not appreciated, it's time for me to go  
I'd rather they file child support, I'm a just send the  
dough  
Time is passin' by & I ain't even there to see you grow  
Life is hard but it's fair & I promise I'm a be there but  
uh...

[Z-Ro:]

I'm laughin' at y'all bitch niggas like "Aha!"  
Mad at me 'cause I'm in a Bentley when I slide by  
Louis Vuitton, Marc Jacob, Gucci or Prada  
Nobody but me cuts slices out of my pie  
I'm ridin' dirty but my ride's so clean  
It's like a pamper full of baby shit & Irish Spring  
Bitch, you ain't nothin' but a greasy split  
Payin' me money the only way you can please me bitch  
I'm a walkin' talkin' ass whippin' I'm the squab father  
If it's more than one nigga, that's when I squab harder  
Somebody need to be murdered, I got a job offer  
I got that concrete, these other boy's hard softer  
My bitch get off the plane, you can get that hard off her  
You could get that bottom & that head bob off her  
Before I love a bitch, I'm shoppin' for shoes  
And all the bitch bread is mine, but the cock is for you,  
you trick.
