Chorus: Z- Ro]

...Time to let the truth be toooold,  
It ain't no brighter dayyyyyys,  
Cuz when it all unfoolds,  
A nigga gon' just pass awayeeee.  
These haters tryinna stop my griiind,  
But I bet them hoes can't block my shiiiiine,  
So tired of taking losses, Not this time,  
I can't save the whole world, I'm just tryinna look out for  
mine...

[Verse 1: Z-Ro]

Aye

I've been gettin alot of exposure  
Lately on niggaz' songs, and in they videos.  
Cuz they know i'm an O.G.  
Not an Original Gangster but an Orginized General  
They see pullin' up in my 300 bangin  
Gators on my feet and jewelry danglin  
Everybody love they way I look on the ouside  
But inside I be painin, Is it every gonna stop rainin?  
Nuthin but thunderstorm clouds over above me  
Shit I used to break my back to make sure my niggaz  
was straight  
Let The Truth Be Told Lyrics  
But they still don't love me.  
That's why it's 'No More Pain' on my lower arm  
And '1 Deep' tatted on my other arm  
If you see me lookin in ya'll direction  
I'm not about to speak, finna do you mutha fuckas  
harm.  
Got 17 albums and they all sellin  
So tell me why the fuck my pockets ain't swellin  
And I ain't neva did nothing to nobody, that didn't have  
it comin to them  
Bitch, I'm a fellow, Felt like I was failin,  
God tell me when i'm gon' win,  
You know when i'm blessed,  
You know when i'm gon sin,  
You were there at the begginin of my days,  
I'm just hopin I see you after all my days end.  
And I don't give a damn what these people say,

Half the people in the church got evil ways,  
I was just lookin to make a lil' scrilla,  
But it turned a lil' christian into a lil' killa  
From abel to label, and gun to rifle.  
It's a forward march, ain't no time to retreat.  
If you able to save a nation, go head,  
But i'm strugglin to get myself somethin to eat.

[Chorus: Z- Ro]

Time to let the truth be toooold,  
It ain't no brighter dayyyyyys,  
Cuz when it all unfoolds,  
A nigga gon' just pass awayeeee.  
These haters tryinna stop my griiind,  
But I bet them hoes can't block my shiiiiine,  
So tired of taking losses, Not this time,  
I can't save the whole world, I'm just tryinna look out for  
mine...

[Verse 2: Lil' Keke]

Yup, Yup  
No more strugglin backwards, Hustlin this is my year  
I've been in the game since '95  
Bitch! I'm still here  
I hear the background that side talk and cheap bumpin  
If you don't like who I signed, Swisha House nigga!  
Just 6 months ago they said 'Da Don' was all over  
But, I just tight my flow and built the buzz and came  
colder  
I toucht them street G's, Them go gettas, And crack  
stars  
You 6 feet deep or some where sleep behind them iron  
bars  
Cuz I done knocked off plenty cars and..  
Off plenty hoes  
Done pulled up plenty shows  
Candy paint and glass vogues.  
Look at 'em whisperin..  
Like some hoes on the sideline  
they 2nd streamin and cheerleadin while i'm gettin  
mine  
I know I've been down, cant wait ti'll the next round  
Tommorows', tommorow  
But today nigga it's right now  
It's Ke' and 'Ro and fa' sho that's a gangsta hit  
Get up out our life, hoe  
Get up off our dick, Trick!

[Chorus: Z- Ro]

Time to let the truth be toooold,  
It ain't no brighter dayyyyyys,

Cuz when it all unfoolds,  
A nigga gon' just pass awayeeee.  
These haters tryinna stop my griiiind,  
But I bet them hoes can't block my shiiiiine,  
So tired of taking losses, Not this time,  
I can't save the whole world, I'm just tryinna look out for  
mine...
