[Z-Ro:]

Forgive me for my sins 'cause I'm not perfect
Just tryin' to get it like I live. But is it really worth it?
Niggas done fell to my heater, never to rise up
I didn't really wanna hurt nobody, please open your
eyes up
Don't need no more blood on my conscious
'Cause even though I'm a soldier, I feel pain
Got a nigga paranoid around partners, I feel strange
Watchin' my back, cockin' my gat, strapped at all times
Punishin' muthafuckers just for crossin' that line
My only company is lonely mess 'cause most of these
niggas be fake & I can't stand phoniness
Can't even look me in my eye, before they burn me up
2 to the head, but it ain't that simple y'all can't turn me
up dead
Best believe retaliation is a must, I'm a bust with fury
Look at me laugh at my competition, flashin' my jewelry
Death ain't around the corner no more, he up in my
face
It's only natural to try to steal him & put him back in his
place.

[Chorus: Z-Ro]

In case I don't Make It, I wanna tell my people I love 'em
I wish I could jump up out my casket & hug 'em
Just in case I don't Make It, I hope they keep on jammin'
my songs
A military minded muthafucker gone
Just in case I don't Make It, I wanna tell my people I love
'em
I wish I could jump up out my casket & hug 'em
Just in case I don't Make It, don't cry now, I'm still in
your hearts
I hope I get to go to Heaven, my Lord.

[Z-Ro:]

In case I don't Make It, I want niggas to know I never
gave up
Z-Ro VS. The World & King Of Da Ghetto is when I came
up

People showin' me love, people showin' me hate
But I put the street with my business & put more
change in my safe
Special thanks to Eugene Brooks, it ain't another realer
Save me from bein' a drug dealer, but still a gorilla
Death ain't around the corner no more, he up in my
face
Only natural to try to steal him & put him back in his
place.

[Mexican D.:]

A young Mexican brought up in the wrong way of life
I had to do what I had to do just to Make It through the
night
Hustlin' robbin' & killin' runnin' the streets with no
feelin'g's
An aggravated muthafucker that is ready as willin'
So leave me alone, before I touch your dome
Or sendin' automatic .45's to hit your home
'Cause ain't no playin' with me, I'm a down ass G
Showin' no pity, from that Mo' City.

[Chorus: Z-Ro]

In case I don't Make It, I wanna tell my people I love 'em
I wish I could jump up out my casket & hug 'em
Just in case I don't Make It, I hope they keep on jammin'
my songs
A military minded muthafucker gone
Just in case I don't Make It, I wanna tell my people I love
'em
I wish I could jump up out my casket & hug 'em
Just in case I don't Make It, don't cry now, I'm still in
your hearts
I hope I get to go to Heaven, my Lord.

[Z-Ro:]

I've been goin' insane lately
Rollin' with my gun off safety
Thinkin' everybody's out to do me
Can't even relax, Mac 11 by the jacuzzi
Gangstafied, ever since then showin' me love
And it don't matter where they at, nigga they gon' hit
you with the dub
But every night I pray to see another foo foo day
Even though sometime I fall off track, trickin' with Mary
J.
Can't I get a piece of mind? Everybody wanna attack
me
In the beginning they was stray's, but now they bustin'
right at me
Get up out my ride homey, don't wanna ride with me

now
If we rollin' & I'm beefin' you can die with me now
Niggas around me droppin' like flies, it got a nigga
scared
Bullet proof & a automatic, come with makin' blood
shed
So just in case I don't Make It, tell my enemies fuck 'em
I wish I could jump up out my casket & bust 'em!

[Chorus: Z-Ro]

In case I don't Make It, I wanna tell my people I love 'em
I wish I could jump up out my casket & hug 'em
Just in case I don't Make It, I hope they keep on jammin'
my songs
A military minded muthafucker gone
Just in case I don't Make It, I wanna tell my people I love
em
I wish I could jump up out my casket & hug 'em
Just in case I don't Make It, don't cry now, I'm still in
your hearts
I hope I get to go to Heaven, my Lord.
