[sped up sample]

"Ay-aiyyyy, if only for one

Nah, niight, niight, niight, niiiiight

Ahh one night, if only for one... niiiiight"

[Chorus One: Z-Ro] + [Trae]

[Z-Ro]

I wish I could have my loved ones back

Cause I'd love to have my loved ones back (if only for one niight)

[Trae]

We don't have to feel it like that

Cause I hate to see the pain comin back (if only for one niight)

[Z-Ro]

Nobody get killed on the block

No reason to pack the steel on the block (if only for one niight)

[Trae]

We can get to make it to the top

And see my dawgs make it out the cell block (if only for one niight)

[Chorus Two: Z-Ro singing]

Maintainnnnn, there'll be no mo' complainnnnn

It's alright, if only for one niight

Maintainnnnn, tryin to keep it from rainnnnn

It's alright

[Trae]

I swear, deep down I be sinkin

The same things over and over they never get better

I miss my niggaz, rain fallin

9 times out of 10 it don't miss my nigga

Damn, I hope this state of mind'll never leave again

I wanna see my nigga Screw get to breathe again

And wanna see Dinky and my nigga Donny break free again

On the block, never thinkin 'bout Plix

Twenty-fo' years of mine I've been blitzed

Dawg, don't you get it twisted

Cause 19 years of those have been stress

Never thought that I'd see this time  
And it ain't no way that I'ma let it get by  
Ain't no lie, deep down inside  
Just to hold it close it wanna make me cry  
No mo' drama, likin no laws  
No mo' jail, no more collect calls  
No mo' hate from these roach-ass niggaz  
and my dawgs on the block'll ball 'til we fall  
Plus Peewee woulda never got locked  
Plus Greedo woulda never got shot  
Plus Mello woulda still been here  
With a white Kangol about to body rock the pen  
Misty, then the rest of the click like  
Full speed then runnin without a red light  
Whole life I'll be one of a kind  
Go deep in the wind I promise I got my head right  
And I hate it's gon' be like this  
I wonder why everything come to me like this  
And if only fo' one night I finally get my smile  
Lord, I don't wanna leave like this

[Chorus One] + [Chorus Two]

[Z-Ro]

It'll be nice to have Emo and Jody and LL back  
My nigga Best and his big brother E. Roy Love  
Dem people ain't never comin back  
But if only for one night  
My nigga could make a decision he shoulda made  
Make it where the situation turned out another way  
And ain't a day go by  
I don't wish I didn't have to miss my momma  
This ain't livin my nigga this just drama  
If only for the night when the storm'll live calmer  
Cause seem like they wanna give a lifetime sentence  
to a nigga with a pistol and a pound of marijuana  
Wish it was legal to be in public wit'cha eyes red  
I've seen a lot of B.I. cases go fed  
Got pulled over, no seatbelt on the shoulder  
Let to a 70 year stand and coda  
If only for the dead nigga  
Didn't have to wait to make a safe walk to the sto'  
Just to get his niggaz and a six-pack {?}  
But there never been a cakewalk to the sto'  
Fuck around and see the head concussion  
If the hood decide you gotta fake walk to the sto'  
They fully fronted to everybody with animosity  
Bitches'll take 'em 'fore they walk to the sto'  
A nigga from the Southside, and a nigga from the  
Northside  
And a nigga from the Eastside

Could all get along with each other, like we knew each  
other mother  
No reason to wanna take our own lives  
By losin a son, losin a daughter, losin a child  
I'm battered by life, too rude to smile  
I liked it better when I used to smile  
If only fo' one mo' night

[Chorus One] + [Chorus Two]
