[Chorus - 2x]

All my niggas stay alive in this dirty game
Niggas working 9 to 5 in this dirty game
But all my niggas gone survive in this dirty game
Because we pack a 45 in this dirty game

[Z-Ro]

Everyday my mind is set on money making ways
Even kick in doors, I can't be broke in money making
days
I can't get no job in a white man's world that's why I live
so raw
I can't watch my children starve homeboy so watch me
break the law

[Chorus - 2x]

[Z-Ro]

Ramon noodles, t.v. dinners ain't no way to live
Rather be holding slab while grabbing grain rolling
airport load for sive
In the streets of Houston Texas hustlers living in the
cuts
On a mission chasing paper got no time for gold
digging hoes get off my nuts

[Chorus - 2x]

[Z-Ro]

I'm turning suicidal in my older age, this game'll freeze
you to death
And eveyrday I face the coldest stage
Tell me does every nigga that's thugging got to
struggle to bubble
And so I'm ready to laugh successfully you don't want
no troule
Cause I'm living more rugged than rougher than the
rockiest road
I'm paronoid for life, got to keep a glock in the load
Am I addicited to caine (watch that tooting line)
Could it be a nigga that's hard to locate is somebody
you could find

Z-Ro, certified platinum on a million dollar paper chase
Pulling up next to the police and blowing this weed in
they face
But they try to blow my high when I'm on this hyper
toiliking weed
But I'm gonna slice skills with hands that'll make you
vomet and bleed
Aunte be worrying about me so I'm trying to get her to
smile
But I know she know I'm wanted dead or alive
Got to keep my mind on my money making maneuvers
cause my hustle is strong
A lot of fools get lazy now they hustle is gone
But I'm a hustler for life

[Chorus - 2x]

[Z-Ro talking]
