Z-Ro (verse)

I'm a gangsta my nigga from my head to my feet
Ever since I was a youngin' I been livin' in the streets
Keep it movin' you don't want to get into it with me
I can get your whole family wiped out for less than a g
The OG stands for organized general
Street educated and graduated to a criminal
I'll make it rain but i ain't talkin' about money from the
sky
I'm talkin' about everybody dyin'
I'm the Mo City Don and the King of the ghetto
Z-Ro is a one man team in the ghetto
Had dope in my palm gettin' green in the ghetto
A million dollars later still seen in the ghetto
The trunk full of artillery ready to reach out and touch
somebody
I'm insane in the membrane I don't have positive
thoughts
The only thing I can picture is fuckin' up somebody
I walk like I'm bad because I know I can
I ain't got a reason to fear it if it's a man
.45 in my left hand
If it in my right hand .357 in my other hand
(Why) 'Cause these suckas ain't never figured me out a
trigger happy nigga
You cannot fuck me
Happy holiday to ya' 'cause I'm about to open ya
mothafuckin' ass up like a christmas gift
'Cause there ain't no love, no love
Ya'll fellas was holdin' ya'll nuts on us
Wanna see us doin' bad
Some of ya'll can't stand the fact that Trae and Z-Ro
earnin' stacks back to back
Nigga we still in the hood
Ridin' around trippin' with the steel in the hood
I remember we used to rob and steal in the hood
I'm a Asshole by Nature
I make it rain real good, real good

Z-Ro (chorus)

Ro and Trae

Assholes by Nature no doubt
Mothafucka can you stand the rain
'Cause if we spray these K's
We gon' shut ya block down
Tell me nigga can you stand the rain

Trae (verse)

Let it be known
I remember what it was from day one
So I still don't give a damn about nothin' out here
I been a asshole all of my life and I remain to be real
while these other niggas stuntin' out here
Ain't never been the one to try to fit in
If I want a spot I guarantee you I'ma get in
You ain't never seen the type of drama that I live in
I'ma be the first to get the K and pop the clip in
And I got the same attitude that I had last year
If you don't like it fuck you now bitch get that clear
I never let a ho nigga try to get past here
Ain't nothin' that you gotta' stop "what's that here"
So I run around feelin' like I can't be stopped
Ready for the nigga thinkin' that he can't be popped
Throwin' bullets out fast to big to be blocked
Can't none of these kind of like bridge I popped
When the rain fallin' can you handle the pressure
If you get wet it's gon' do more than stress ya
They can run but they still gon' catch ya
Better chill 'fore I decide to test ya
I'm in a place that you probably never think about,
zonein'
My flow in another stage
So it'll be best to let me do me 'fore I come and take
you to another page

Z-Ro (chorus)

Ro and Trae
Assholes by Nature no doubt
Mothafucka can you stand the rain
'Cause if we spray these K's
We gon' shut ya block down
Tell me nigga can you stand the rain

Z-Ro (verse)

Leave me the fuck alone I ain't feelin' it bitch
I roll one deep in the Bentley ???
I damn near broke my back tryin' to turn these crumbs
into bricks
Tryin' to get a thousand dollars out of twenty five cents
It ain't a hood in H-Town that can't ride through
Manuevers on my city when I move the 5-2
They say I'ma celebrity with diamonds that'll blind you

But you can see me order fast food in the drive-thru
But don't try to jack me I wouldn't advise it
Hammer cocked back I stay ready for surprises
My bondsman stay ready to bail me out
When my homeboys sell me out

Trae (verse)

I'ma hop in the hoop like a troop then i shoot like waves
Ain't no tellin' bout how many of these shots I made
It be the same routine when any block get sprayed
I'ma release the weight don't nothin' get saved
ABN is the gang
Talk tough get robbed
We the ones who make a nigga get it up and go hide
I was taught to never put the bullshit to the side
Before you start better ask the last one who tried
Still T-R-A-E never gon' switch
Ain't never been a punk never would be a bitch
So you better get it right 'fore I take it to the trunk and
bring the K out
Tryin' to be the whole block blitz

Z-Ro

When I load my AK you bitch niggas gon' lay
When I load my AK you bitch niggas gon' lay
When I load my AK you bitch niggas gon' lay
When we load these Ks

Z-Ro (chorus)

Ro and Trae
Assholes by Nature no doubt
Mothafucka can you stand the rain
'Cause if we spray these K's
We gon' shut ya block down
Tell me nigga can you stand the rain

Z-Ro

When I load my AK you bitch niggas gon' lay
When I load my AK you bitch niggas gon' lay
When I load my AK you bitch niggas gon' lay
When we load these Ks
