(Chorus)

Southside, se bomb first when we ride swangin on
elbows, choppin on choppaz dats right cuz we real on a
mission to get it cant stop goin platinum every time
anotha tape drop

Z-ro

it the return of Z-Ro da crooked bustin heads strictly for
cash

settin up contracts on hataz wit my beam and a mask

you can run you can hide but it aint no escapin

ima trend setta wit a baretta for real it aint no fakin.

I dun showed up, then i po'd up then i blowd up like
yeast

diamond slugs up on my teeth

hollerin violence fuck da peace.
