[Z-Ro]

Since I been out by myself, I keep that bitch Nina with me  
If you my enemy, you don't wanna be the last nigga that seen her with me  
Z-Ro haters be making my attitude, rude  
Fuck around and get stole on, if you fuck up my moves  
Dude, finally I found myself, I had to stop  
Blowing that kick em cause eventually I would of drowned myself  
Already need a anger management class  
See if a busta cross me, it don't matter the situation I damage his ass  
Soldier that's what I be, so bitch  
Why you trying to play me like a H-O-E  
Turn me loose so I can make it to the T-O-P  
It's like I'm in a bucket full of C-R-A-B's, but I keep climbing  
And I keep on rhyiming, while they be bumping they gums  
Looking at my diamonds whining and blinding, no dumping they guns  
Cause they can't see me, bitch I'm invisible to the hate  
Thugged off in my kitchen, cutting chemicals in my cakes

[Chorus]

Talking down on me from a safe place, now I'm in your face  
What you gon do now  
Barrettas and Rugas on my person, they would do ya if I burst em  
What you gon do now  
Mo City my block showing no pity for cops, if you trespass  
You done fucked up now  
No busting in the sky first one through your thigh, second ones a chest blast  
I done lucked you out now

[Z-Ro]

Niggas be cool in my face, but hate behind my back

Talk down on me in front of me, but not behind my gat  
I bet you won't do that, I bet you scared of that iron  
Perpetrating like you a gorilla, selling drinks in line  
You ain't never seen the Pen nigga, the penitentiary  
They talk rehabilitation, but look at what it did to me  
I smoke mo' and sip mo', than ever before  
Motherfuckers be on my nerves, so I lean on that dro  
Trying to keep on dropping a bomb, on the bitch-made  
Don't be looking surprised, y'all made it this way  
I got a Vendetta with lifts, that be trying to sink me  
Sending police after me, and trying to link me  
To aggravated robbery, and strong-arm jacking  
Trying to throw me off my note, so I can't do no  
stacking  
Johnny Cochran over lawyer got me out on bail  
Looking for niggas that was plotting on receiving my  
mail

[Chorus - 2x]
