[Z-Ro:]

Houston Texas is my city, Ridgemont 4 is my block  
I put my trust in no man, only my muthafucking glock  
'Cause she ain't never let me down before  
Fuck a gang I follow my bitch 'cause she be bustin'  
rounds for Ro  
Unlike my homies 'cause they phony than a  
muthafucker  
Even my broad 'cause she might be fuckin' some other  
brother  
Lord knows that I couldn't take it if I found out  
Premeditated 'cause I'm about to let them automatic  
rounds out  
A prisoner of my own mind, losin' it swiftly  
Clickin' on muthafuckers until the reaper come & get  
me  
Fuck a friend & a click & a partner in crime  
'Cause when you doin' your bid, they won't be partners  
in time  
I bet they be the main reason why you locked up in a  
county  
That's why I strive, to keep all the buster bitches from  
round me  
So take it how you wanna take it, I don't give a damn  
I'm an asshole by nature, nigga this is who I am.

[Hook:] [x2]

I know they told y'all, deep down South we don't play  
Don't get too close 'cause nigga I'm gon' spray  
everyone of y'all  
Piss me off & you gon' see me touch your Noggin y'all  
That's Who I Am nigga fuck you.

[Z-Ro:]

Don't worry my nigga, I'm comin' to make your bail  
Wait a second. How this buster know I'm goin' to hell?  
I seen the hatred in they faces when the prince wanted  
to see me  
When they thought I was leavin' they wanted to D E A D  
me  
Droppin' salt on my name, sayin' I sold my soul

And these suppose to be my people, damn my people  
so cold.

Why not be happy for a nigga when he make a major  
move?

Chill you playin' with this game, but I've been payin'  
major dues

I can't tell a muthafucker how to fly a plane

If I ain't never been up in the cockpit, you feelin' me  
mayne

I got a bunch of records sold & y'all ain't sold shit  
Your foreign's at a standstill, but my Houptie's on the  
road bitch

Beat with me nigga & you can find out

How I murder niggas with my lyrics, I ain't gotta pull my  
iron out

Take it how you wanna take it, I don't give a damn

Fuck them niggas who say they down, one deep is who  
I am.

[Hook:] [x2]

I know they told y'all, deep down South we don't play  
Don't get too close 'cause nigga I'm gon' spray  
everyone of y'all

Piss me off & you gon' see me touch your Noggin y'all  
That's Who I Am nigga fuck you.

[Z-Ro:]

I'm a follow the truth & never follow lies

So I'm a ride on Watts until his fat ass apologize

For sayin' what he said about Screw

Look who your style is named after muthafucker, you  
number 2

And you know what come before one, nigga this  
mouthpiece

Z-Ro & S.U.C. Southside super hero

Fuckin' with you pussies 'cause it's time you be  
tampered with

When you see me look me in the eyes & pull up your  
pamper bitch.

My nigga named Tommy, say he's comin' to get ya

His people gon' be swingin' everyone of 'em will hit ya  
Holdin' on to my grudges until my brain get a blister.

I love drama so much, because my life is so rough

So when you see me out in public, don't you come at  
me wrong

Disrespect me if you want, hoe, I'm a fuck up your  
dome

You can take it how you wanna take it, I don't give a  
damn

Street Military was my father, Z-Ro is who I am.

[Hook:] [x2]

I know they told y'all, deep down South we don't play

Don't get too close 'cause nigga I'm gon' spray

everyone of y'all

Piss me off & you gon' see me touch your Noggin y'all

That's Who I Am nigga fuck you.
