[Talking]

Uh oh, Z-Ro the Crooked  
And my mo'fucking brother from another  
K-Rino the Wizard, that's right

Oh naw, don't run now nigga  
Strap your seatbelt on homeboy, dig these blues

[Z-Ro]

I needed assistance, but I gave help  
And carried people on my shoulders, when I could  
barely cary myself  
God love it the cheer forgiver, check out second  
Corinthians chapter nine  
Every ten dollars I had, was really five  
Damn near everytime, cause I don't want my people to  
suffer  
But these the same people, love to see my tough times  
get tougher  
I feed em when they're hungry, even though when I'm  
starving they let me starve  
And make fun of me, whenever I'm behind bars  
As if I'm robbing and killing man  
What's funny is they hate a man, that's trying to do  
right but they love a villain  
The devil is an infection, but God is amoxicillin  
The cure is heaven, and life is a sickness that needs  
healing  
K-Rino say I'ma make it, but when  
(trying to understand why your life is so troubled, is like  
chasing the wind)  
All I can do, is keep my mind focused on heaven above  
And remember, the Lord chastises the ones that he  
love

[Chorus]

Try to make it through today, don't worry about  
tomorrow  
Tomorrow gon' be full of it's own problems anyway  
Try to make it through today, don't worry about the  
past

Let that be motivation, to face obstacles in your way  
Is this what I gotta go through, to get to heaven  
Cause I feel like I'm about to lose it, I just can't take it  
anymore
