You better tighten up on your backstroke
Trying to fuck around with Z-Ro in the game
It's not all about running your mouth all the time
It's all about stacking the change
Now I don't know if you've been told
I make it hot, your ass gonna have to stay indoors
Cuz I'm a gangsta,
Gangsta
Diamond in the back, sun roof top
Grill in the front steady making it drop, the bubble
grey, all day
So when you see me swanging, knocking the belts off
the bumper banging
It don't stop, and it won't stop

(chorus)

I'm your partner, I'm your nigga
Went from broke to bigger figgas
Not no buster, I'm a real G
Even keep us in this rugged penitentiary
You know me, Bridgemont four
I represent whatever real I couldn't be a hoe
What's my name, what's my name

Here we go, fanatical radical rhyme flow
Started out with a passion for music loving how it go
I use to, talk about poverty, talk about crooked cops
Talk about grown men raping children it ain't gonn'
never stop
I'm a spokesman for the ghetto nearest you
I'm a Picaso in the this rap game
Paint a picture giving you the clearest view
24/7, 3-65 I'ma pump, put it to mama
I'm a hustler I done said you a camel with no humps
Look What You Did To Me was my first CD
If it went three final on that I never had a worse CD
Guerilla Maab riots, Z-Ro Vs. The World, King Of The
Ghetto
I done grabbed hold to the rap game and can't let go
I'm a feed it to you through the speaker
Listen at the highs listen at the mids
Everybody loving this even let the old folks listen and

the kids
Certified ghetto platinum, cause I'm a champion
But it's for the money, catch it dead if you don't have
no fun

(chorus)

It's been a long time I've been out on the grind trying to
find my way
But I can't escape none of the drama, haters
jeopardize my day
I tried to walk on the straight and narrow
And try to stay as sane as I can
But I'm just a man, doing all I can
Have mercy on me father, I'm guilty
But I'm trying harder to do right, do right
But when I see my children starving
I get gangsta and I start to mobbing
It don't stop, and it won't stop

(chorus 2x)
