(*singing*)

[Hook: Tanya Herron]

Why, do we live this way

So many murders, where the children play

And it's about, to make me lose my mind

We're running out of time, too many of my people
dying

[Z-Ro]

Day by day it's more impossible, to hold on

I'm going head up with the shadow of death, and
getting stole on

Will I survive, is God gonna come and save me

I started out as a Christian, now look at how this world
made me

I'm crazy, and I can't make it no better

Cause I can't stand none of my friends, my only love is
for the cheddar

I remember, sipping on Tangaray and getting high

Down with eachother, long as we was barely getting by

We grown men, and all living in sin

Shooting a kite to my people, cause he in prison again

Letting him know that the streets ain't changed, still
wicked

Plus I been burying so many motherfuckers, we bound
to kick it

Up close and personal, cause niggaz be pushing my
button

I handle my bidness, and exit they homes gangsta
strutting

One deep, nobody's got my back

Motherfuckers just be hanging around me, because I
rap

Trying to stab me in my back, and if they could they
would

That's why I pack my twin bitches, cause I don't even
feel safe in the hood

At least on lock, you know what the danger is and
what's not

Free world you'll be evicted, when a coward bust shots

That's the life cycle, kick it with real niggaz

And never let the shife by you, because the devil is
they idol

Man they tied up my nigga, and sawed off his head
The cold part about it, they ain't even take no bread
[Hook]
[Z-Ro]
My nigga Grady took seven shots, and one bullet hit
him twice
Although he's blessed, my nigga just can't leave the
thug life
You know itc1
