Version by Dean Martin hit # 46 in 1967

In the misty moonlight

By the flickering firelight

Any place is all right

Long as I'm with you (as long as I'm with you-oooh)

In a far-away land

On the tropic sea sand

If your hand's in my hand

I won't be blue

Way up on the mountain

Or way down in the va-a-alley

I know I'll be happy

Anyplace, anywhere, I don't care

CHORUS

In the misty moonlight

By the flickering firelight

Any place is all right

Long as you are there

SPOKEN: I could be happy in one little room with only a table and

chair. As happy as I'd be in a kingdom by the sea, darling, if you were there.

And I could be rich or I could be poor.. but if you were by my side, I could be any

place in this whole wide world?and I know I'd be satisfied.

Way up on the mountain

Or way down in the va-a-alley

I know I'll be happy

Anyplace, anywhere, I don't care

CHORUS X 3 with FADE on final
