1) Somewhere along the way, I found a meaning

I woke up dreaming - along the way

It never quite seems the same when you awaken

And making up for the time is such a price to pay

And it just ain't fair

REFRAIN) So, help me through, mama

Help me to ease the pain

And tell me it's alright

Help me through the night, once again

#2) That's the danger in pretending

Trying to defend yourself from someone else's war

I don't know what they're fighting for

And I just don't care

Released: 1974 - ABC Records

P. S. - " Walk Away" was released on A B C Records in 1971 on " Thirds" by:

The James Gang
