UH HU

I like big tits

YOU see em on the street

left and right

i like big tits that right

i try to look away but i can't resist

evertime i try to call it quits

Hear come some tits thats a big ten 4

Uh hu

I like big tits uh hu

tits

Well they come in twos

hard to choose

your favorite tit

uh hu

i like tits for dinner a noon time snack

i like tits for lunch a big tit attack

i like tits for breakfast

iwhat it is

their where its at

tits

they give me shivers when they bounce around

buckled up or hanging on the ground

i like big tits

uh hu

tits save it all for me
